

Re: Request for Corporate Sponsorship Support of the IVMA of BC

You are a valued sponsor and thank you for your support of our association. It is through the generous donations from organizations such as yours that our association has been able to work productively on behalf of our members.

The Integrated Vegetation Management Association of British Columbia (“IVMA of BC”) is recognized as a leader in vegetation management practices by a diverse group of multi-disciplinary sectors and individuals including forestry, utilities, transportation, government, private industry, academia as well as the general public. The IVMA of BC is dedicated to supporting and providing the Membership and Sponsors with the best support, representation and networking opportunities possible.

On behalf of its members, IVMA of BC works actively with regulatory representatives and experts in the scientific community to ensure federal and provincial legislation governing industrial vegetation management continues to be based on sound scientific and economic principles. The IVMA of BC also continues to be dedicated to the on-going support of its members through the provision of professional development opportunities and other educational tools to facilitate best management practices in industrial vegetation management.

The IVMA BC has been providing good value to its membership for over 2 decades and we would like to continue to provide the aforementioned as well as other enhanced services in to the future.

We have achieved notable results on many fronts including regulatory change to support IPM, successfully resisting overly burdensome proposed regulatory change, developing public awareness and educational support for IPM. As the number and complexity of issues addressed by the Board of Directors increases, and as new government regulations and/or interpretations develop the need for our association becomes increasingly important.

The Board of Directors has recently determined that we need to revise our funding model in order to better manage and finance our annual activities. These activities include managing a comprehensive web site which provides contacts, resources, interactive discussion, current legislation, position papers, and links to other associated sites.

Please continue to support the IVMA of BC for the 2010 calendar year as a continuation of your past contribution which ran for 2008 and 2009.

Under our new Corporate Sponsorship offerings, the IVMA of BC is pleased to present three different annual structures for corporate support. These levels ensure the ongoing efforts of the IVMA of BC can continue.

GOLD

“GOLD” level Corporate Sponsorship provides the following benefits at **\$1500.00**:

- complete access to the IVMA website/newsletter...includes access to articles and proceedings from related associations and conferences
- company logo on the website banner with links as a gold level sponsor
- three complimentary annual memberships

SILVER

“SILVER” level Corporate Sponsorship provides the following benefits at **\$1000.00**:

- complete access to the IVMA website/newsletter...includes access to articles and proceedings from related associations and conferences.
- company logo on the website banner with links as silver level sponsor
- two complimentary annual memberships

BRONZE

“BRONZE” level Corporate Sponsorship provides the following benefits at **\$500.00**:

- complete access to the IVMA website/newsletter...includes access to articles and proceedings from related associations and conferences
- company logo on the website banner with links as a gold level sponsor
- One complimentary membership and complete access to the IVMA website/newsletter

To further discuss any aspect of these sponsorship components or other benefits and activities of the IVMA of BC; please phone, fax or contact us through the website noted below in the footer. Thank you for your continuing support.

Yours truly,

Peter Mohammed
Director and President
IVMA of BC
